### Production Sites

## Business Operation

By taking advantage of the base in the retail market and placing retail solutions business, printing solutions business and auto ID solutions business along with inkjet solutions business as the pillars, we aim to become a global one-stop solutions company.

### Retail Solution Business (POS-related business)

As a premier partner of the retail distribution industry whose goal is to enhance customer satisfaction, we offer a variety of solutions, such as systems for head offices and stores, POS systems and peripheral equipment.

### Printing Solution Business (MFP-related business)

We offer solutions, such as Digital Multifunction Peripherals (MFP) and related products needed to print and copy documents in the office, that contribute to improving efficiency in customer operations and reducing the cost in various business types and categories.

### Auto ID Solutions Business (Barcode printer-related business)

We offer indispensable infrastructures and solutions to the society, such as barcode systems needed to manage products and parts in production and logistics sites, as well as Radio Frequency Identification (RFID) systems to identify and manage objects with a wireless tag.

### Inkjet Solution Business (Inkjet-related business)

We offer inkjet solutions, such as inkjet heads and printed circuit boards, to our customers in the industry field.

### Number of Consolidated Subsidiaries
